25X1 5. [ ] JCO) Advised Mrs. Krol, in the office  
25X1 of Representative Peter Frelinghuysen, that review of the employment  
application of [ ] did not indicate anything unusual in the  
fact that he had not been employed by the Agency. He was one of many  
applicants for a limited program (JDT) and for all practical purposes,  
better qualified individuals were selected. Mrs. Krol indicated she would  
give the message to the Congressman upon his return next week and that if  
he had further question she was certain he would call us.

25X1 6. [ ] JCO) Advised Bob Michaels, House Defense  
Appropriations Committee staff, that sections 2 and 3 of Part II, DOD  
testimony before the Subcommittee have been reviewed and we have no  
comment. This comprises pages 92BEX-Line through 14-Line-NOV and  
15-Line-NOV through Line-WAAC-31. This completes review of trans-  
cripts and page proofs furnished the Agency to date.

25X1 7. [ ] - GLC) Hand-carried to Representative Joel  
25X1 Broyhill a letter from the Executive Director inviting the Congressman  
to visit the Agency.

25X1 8. [ ] - GLC) Glenn Wilson, Senate Space Committee  
25X1 staff, asked if we could provide any information on [ ]  
25X1 [ ]  
25X1 [ ]

25X1 9. [ ] GLC) Met again with Representative John O.  
Marsh regarding his interest in the NTS and Radio Free Russia. I  
advised Mr. Marsh that the NTS was, of course, well known to us and  
we were also aware of the Radio Free Russia program which had been  
developed by NTS. I indicated that Sterling Cottrell, in State Department,  
has expressed some interest in Radio Free Russia and suggested that  
Mr. Marsh might wish to contact him. Mr. Marsh thanked me for this  
information and said he would pursue the matter with Mr. Cottrell.
